## EXPERIENCE

### WEB DEVELOPER

2020 to present | Khulna Agricultural University.  
– Khulna.

Key contributor to startup company's fast evolution from selling one niche product to offering a full solutions suite marketed to the global financial services industry.

- Led development of robust version upgrade to ABC Works 2.0. Engineered software release for speed and improved the user experience.
- A 25% increase in incremental revenues (multimillion-dollar growth) within one year.
- Award for "Best Financial Services Platform" at Tech Innovators 2018 international conference. Top-tier coverage in 50+ media outlets this year (traditional, social media and tech-specific news sites).

### WEB PROGRAMMER

2018 to 2019 | DYL Company  
– Sometown, NC

Collaborated in a team-focused environment providing software solutions to diverse industry clients.

- Helped build and enhance highly available, scalable, real-time and secure systems used by customers worldwide.
- Completed eight major projects, working closely with agile development team to develop, test and maintain Web- and desktop-based software applications.
- Adhered to high-quality development standards while delivering solutions on-time and on-budget.
